Hi Diane,

Ok, no worries. Just wanted to let you all know that I successfully rescheduled Betsy's meeting with the USFS Regional Forester in Missoula for 2:30-3:30p on Tuesday, June 5th. So she'll need at least 3 hours to drive to Missoula (By my calculations, she'll tentatively need to leave Libby or Columbia Falls around 11a/11:30a). She can catch the flight around 5p out of Missoula. Just fyi!

Thanks,
Dania

Hi Dania,

I believe I sent Mike an email advising we needed to do the Libby tour on June 5, so should do Columbia Falls on June 4, BUT were kind of "on hold" for final details until we hear back from Colonel Hudson. The Colonel was on travel last week so I'm hoping we hear from him today to see if he: 1) Can/is willing to travel on Sunday and, 2) would like to accompany Doug for both site tours.

I will try to contact him again Tuesday morning (5/1) if I don't hear from him today.

Hi there,

Question for you both—if Doug and Betsy fly in to Kalispell, Montana Sunday afternoon/evening (June 3rd), which flight would they take? [I am another RPM on the Libby Asbestos site and am assisting Mike Cirian with organizing this trip]

Sunday, June 3rd

FYI. This is also going on. I assumed Betsy was part of this.

Hello All,

I'm sure we can accommodate both sites and get Doug back on Tuesday evening.

Just a quick stab at a schedule:

Doug gets into Kalispell Sunday evening, heads over to Libby either that evening or first thing Monday Morning June 4th and we spend the day touring Libby and meeting with some local officials.

Tuesday Morning leave between 7:00 and 8:00 am and head to Columbia Falls. Have a site tour

of the CFAC plant and invite congressional staff to join as well as local officials if wanted as well. There is a conference room at the plant we can use to have some follow up discussions with staffers and city officials after tour if needed. That would leave Doug plenty of time to catch the 5:00 is flight out of Kalispell. (I know it was important to Senator Tester for Doug to see the CFAC facility).

Let me know if you need more info for moving forward.

Diane,

Thank you for reaching out so we can plan the visit to Libby. COL Hudson is not in the office the week of June 18th, however is available June 5-8 and 13 - 14. If any of these dates work for your Director please let us know and we will place it on the calendar. If not we will have to push the visit into July when the COL's Calendar is a bit more open.

Respectfully,

Ryan D. Field, MSM-PM, PMP

Hi Ryan,

When Colonel Hudson visited EPA Region 8 last fall, there was a discussion about a joint visit out to Libby, Montana. I was asked to connect with you to see if we could come up with some potential dates when this could happen.

Regional Administrator, Doug Benevento, will be making a visit out there the first few days in the week of June 18, but he can make more than one visit out if he needs to.

Please provide me with some dates in May and June when Colonel Hudson might be available for this joint visit.

Thank you.
